**FINANCIAL CERTIFICATION**

**Certification of Prices for Amendment to Priority Mail Contract 33**

I, Steven R. Phelps, Manager, Regulatory Reporting and Cost Analysis, Finance Department, am familiar with the prices and terms for the amendment to Priority Mail Contract 33. The amended prices and terms contained in this Contract were established by the Decision of the Governors of the United States Postal Service on Establishment of Rate and Class Not of General Applicability for Priority Mail Contract Group, dated April 27, 2009 (Governors' Decision No. 09-6).

I hereby certify, based on in the financial analysis provided herewith, that the amended prices are in compliance with 39 U.S.C § 3633 (a)(1), (2), and (3). They are expected to cover attributable costs. There should therefore be no subsidization of competitive products by market dominant products. The amended contract should not impair the ability of competitive products on the whole to cover an appropriate share of institutional costs.
